For

LEAP

(Learning Excellence in Andhra Pradesh)

LEAP Application:

Single app (Super app) refers to a feature that locks a device, like a phone to run only one specific application, preventing users from accessing other apps.

The LEAP App majorly consists of Student and Department logins with various features provided for concern users.

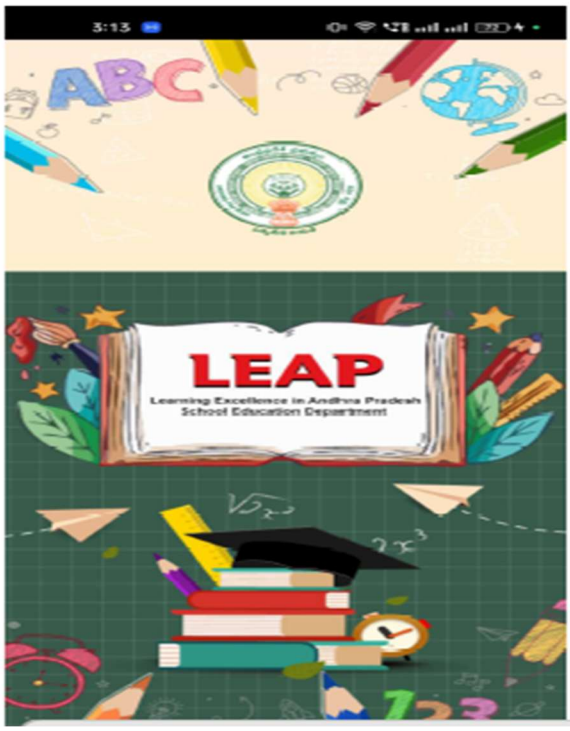
STUDENT	**All Student related details like Profile ,attendance and Marks**
Department	**All School, Student ,Teacher information and related activities**

LEAP APP Home screen with Login Details:

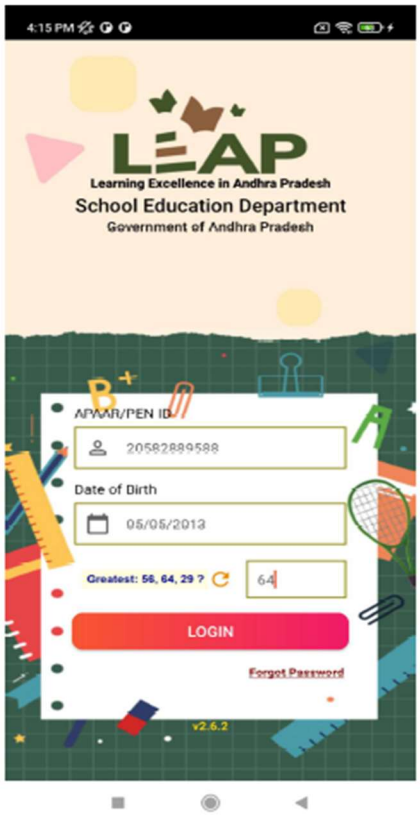
GSR INFO - www.gsrmaths.in
www.apbadi.net

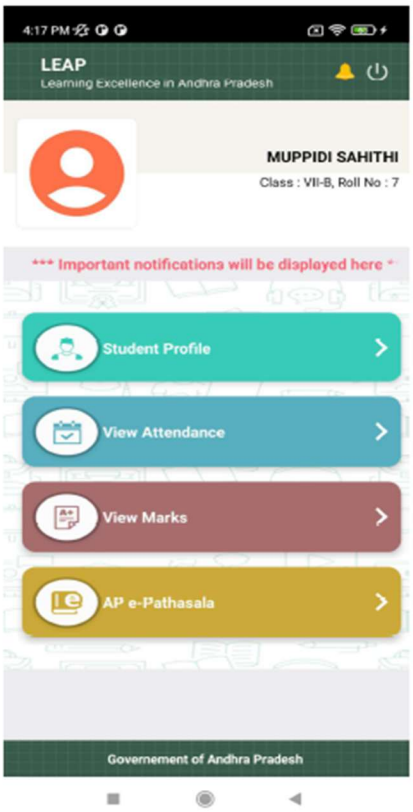
Student Login: **It majorly provides the features as below.**

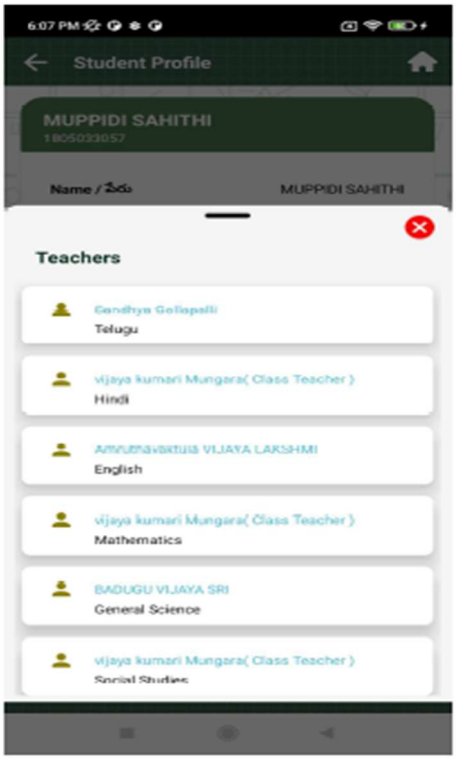
Profile	View Attendance	View Marks	AP epathasala
Student Details, Corresponding Teacher Details	Yearly and Monthly Dashboards w.r.t Present Days , Absent Days, Mid day Meals	Exam wise, Subject wise and Marks wise Dashboards	Students can learn from this app through Online



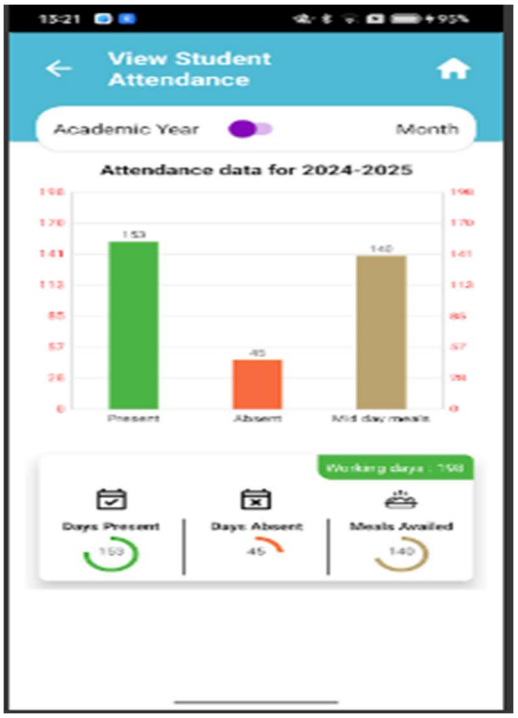
User Manual for LEAP APP V1.0

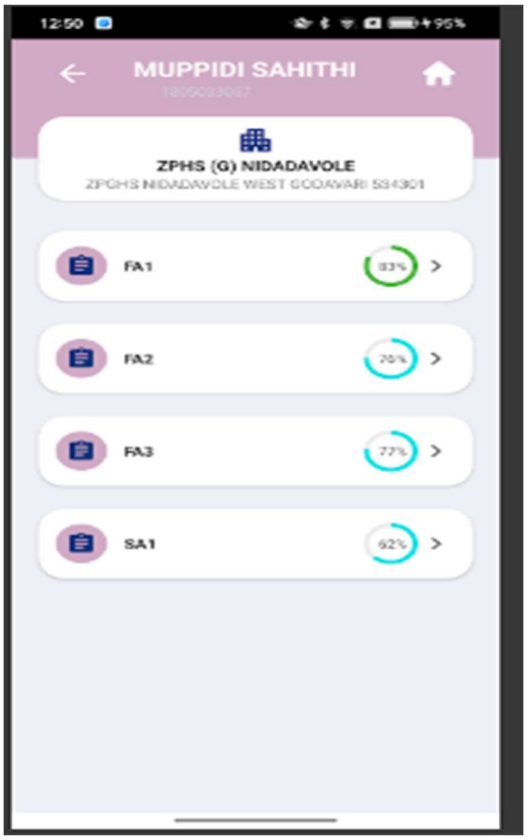






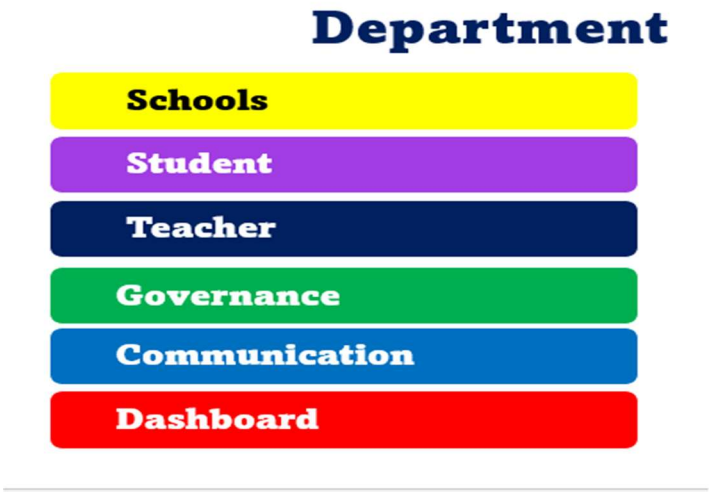
User Manual for LEAP APP V1.0





Department Login:

Department login will have 6 major Buckets, where all necessary modules were segregated and moved to single app.



School Bucket:
